

INSTRUCTIONS FOR 2021-2022 TWGC Service Recognition Award

Once again it is time to nominate the club member who works tirelessly helping to ensure the success of the Trent Woods Garden Club, working behind the scenes, and going above and beyond normal expectations. *Please don't forget our Senior Members who have done so much for the club in past years.*

ELIGIBILITY FOR RECOGNITION AND NOMINATION OF MEMBERS

It's important that you give as much in-depth information as possible on the nomination form, keeping in mind the more information you provide, the better the chances for the entry. The best resource to help with your decision is past Newsletters.

- A SEATED PRESIDENT does not qualify for nomination as it is the responsibility of the president to act as tiebreaker should it become necessary during the voting process; nor does the seated president qualify for nomination during tenure as president.
- In order to assist the committee with any questions regarding an entry, all forms must be signed. UNSIGNED FORMS WILL BE DISQUALIFIED.
- FORMER AWARD WINNERS do not qualify for nomination.

Either written or on-line nominations are acceptable and must be available to the committee no later than the April 14, 2022, meeting. The announcement of the winner will be at the Spring Luncheon/Meeting on May 12, 2022.

Send in your completed form or questions or concerns to any of the following committee members: June Boyd, and past award winners, Frances Eder and Mary Florence.
